### Resource Description

#### **Exposure :**

weather or climate related pathway by which climate change affects health

Air Pollution

**Air Pollution:** Interaction with Temperature

#### **Geographic Feature:**

resource focuses on specific type of geography

None or Unspecified

#### **Geographic Location:**

resource focuses on specific location

Global or Unspecified

#### **Health Impact:**

specification of health effect or disease related to climate change exposure

General Health Impact

#### **Resource Type:**

format or standard characteristic of resource

Review

#### **Timescale:**

time period studied

Time Scale Unspecified
